Large Product Selection Including Heathier For You Favorites

Equipment vends all favorite name brand packaged healthier for you snacks, cold beverages, dairy products, packaged meals and more!

Provide your customers and employees with a safer vending experience with UVend Technology.

Patent-pending UVend Technology makes the high-touch surfaces of vending machines safer by quickly killing or inactivating some of the most common viruses and bacteria*.

Keypad

Delivery Bin

Disclaimer: Federal Machine automated dispensing equipment with the UVend Technology Ultraviolet-C (UVC) system directs UVC light onto the keypad and delivery door surfaces when the machine is not in use, killing or inactivating bacteria, viruses and other contaminants that might otherwise be passed on to the user of the machine through these high-touch surfaces. When used properly, UVC light is a proven, safe, and effective sanitization method. For more information about the proper use and effectiveness of UVC light as a sanitization method, please visit FederalMachine.com/uvend-disclaimer.

iVend® Delivery Sensor Technology!

Ensuring Product Delivery. Available on many of our machines.

Our iVend® technology ensures consistent vend and refund performance. The system guarantees that the selected item is delivered to the customer or their money is returned.

Accept Credit/Debit Cards & Mobile Payments With Optional Readers.

Never miss a sale because your machine didn't accept what your customer had in their pocket. Our equipment comes standard with premium electronic dollar bill and coin acceptors and can be equipped with credit/debit card and mobile payment readers.

ADA Compliant Options

Snack and food vending machines can be optioned with delivery box that deliver products at the new American's With Disabilities Act mandated 15" height from the floor. **Ask for details on your model.**

Made In The USA

No other equipment in the industry matches the durability, longevity and profitability our equipment provides its owners. Over 85 years of vending engineering and manufacturing experience are behind the development of each piece of equipment.

Our Machines Offer:

- Rugged Steel Construction
- Fully Convertible Trays*
- Fast & Easy Restocking
- Bill & Coin Acceptors
- Credit Card Reader Option
- Digital Read Outs
- Large Product Display Windows
- Individual Pricing
- Durable Powder-Coat Paint

A NEW DIMENSION IN VENDING
